Alton Obinna Okwuonu

has successfully completed the online, non-credit Specialization

Web Design for Everybody: Basics of Web Development & Coding

This Specialization covers how to write syntactically correct HTML5 and CSS3, and how to create interactive web experiences with JavaScript. Mastering this range of technologies will allow you to develop high quality web sites that, work seamlessly on mobile, tablet, and large screen browsers accessible. During the capstone you will develop a professional-quality web portfolio demonstrating your growth as a web developer and your knowledge of accessible web design. This will include your ability to design and implement a responsive site that utilizes tools to create a site that is accessible to a wide audience, including those with visual, audial, physical, and cognitive impairments.

Data Visualization with Advanced Excel

Effective Business Presentations with Powerpoint

Data Analysis and Presentation Skills: the PwC Approach Final Project

07/08/2019

Alton Obinna Okwuonu

has successfully completed the online, non-credit Specialization

Data Analysis and Presentation Skills: the PwC Approach

In this specialization you learned the role of data in today's business environment. By focusing on the practical uses of data analytics, you learned how better understanding and stronger application of data can enhance problem-solving and decision-making. You used Excel to understand, filter and use data to inform decision-making. You learned how to use a variety of tools to help you in the process. Finally, using data to support a point of view, you created a business presentation to effectively relate the view to others. This certificate is issued by PricewaterhouseCoopers LLC (US) with address at 300 Madison Avenue, New York, New York, 10017.
